This time of year is an especially good time to be in church. The Christmas worship services are some of the most beautiful and joyful parts of the whole year, as we come together to celebrate the birth of Jesus and remember the Good News of God's love coming into the world as one of us.

I pray that this joyful season brings many blessings to all of you and your loved ones.

Sincerely in Christ,

Pastor Will Layton

Bakeless Bakesale Results

The Bakeless Bake Sale has received \$1,045.33. These funds are used for our Unit to carry out local and area missions. Any additional donations to this, as it is our fundraiser for the year, will be greatly appreciated.

Thankoffering

Thank you to all who donated on our special Thankoffering Sunday, November 12, or during the following weeks. To date we have collected \$323.68 between St. John's and St. Paul's. These funds will be sent to Churchwide to further our wider ministries.

Let us continue to express thankfulness by feeding a thankoffering box each day to be brought to next year's Thankoffering service.

The Women of the ELCA unit St. John's and St. Paul's are so appreciative of your support of our "Bakeless Bake Sale" fundraiser. The money you gave goes into our local treasury and then is used to support our missions throughout the yearpurchasing supplies for quilts which are given out within our area to a number of organizations, along with needed items for personal kits and baby kits which are sent on through Lutheran World Relief use some of the monies. Some of the funds are used for local ministries and parish expenses.

Our Unit is welcome to all and encourages more to participate in some way-please reach out to us. We meet the first Thursday at 10:00 a.m. to tie/sew with a sack lunch and then Bible Study at 1:00 p.m. Sewing is the third Wednesday from 10:00-2:00. It is good fellowship as we do God's work. We have been able to get several younger women/girls involved this past year and a half with our intergenerational sewing days during the summer and at Christmas break. We also have women who do some sewing at home of quilt tops and binding the finished quilts.

The Jackson and Clinton county ELCA Units make up Cluster V. We have a gathering twice a year at one of the churches. The next one will be April 27 here at St. John's. Our planned program will be from the Wartburg Seminary.

Our Unit is also part of the Southeast Iowa Synodical Women's Organization. The SWO works to provide information, programming and support to all the Clusters and Units in our Synod. Each year we meet as a group for a Gathering. In 2024, it will be June 14-15 at Zion Lutheran in Clinton. The local Unit does have some funds to help with costs, and you are encouraged to watch for upcoming information and make plans to join us! Website: https://www.seiasynod.org/swo.

The Churchwide level is based in Chicago, and develops programs and materials for all of us. A convention/gathering is held every three years, and it is so exciting that the 2026 one will be in DES MOINES on July 16-19. Our Synod women will be involved and so looking forward to this as are many women in the Midwest! Checkout the website at: https://www.womenoftheelca.org.

From the Pastor's Desk

Dear Friends in Christ.

As I write this newsletter article, my mind keeps going back to the funeral I attended for a high school friend this past week. I've found myself thinking something that I'm sure many of you have also experienced: how good it was to see so many old friends that I just haven't kept in touch with over the years, but also what a shame it is that it took something like that to bring us all back together.

As I think about that, I'm also wondering if the church has gotten to be a little like that over these past few years. Most of us simply don't see one another as much as we used to. We still come together and fill every pew when there's a funeral, but from one week to the next there just aren't as many of us getting together.

Now, when I say that, the last thing I want to do is turn this into a guilt trip. I know there are pastors who have tried to guilt folks into coming back to church, but I think that kind of misses the point. After all, ever since Covid hit almost four years ago now, so many of our routines have been interrupted. I'll be honest, if I wasn't the pastor, I'm not sure whether I would've stayed connected to church without that weekly routine of gathering with my fellow Christians under one roof to sing and pray and hear God's Word and receive the Lord's supper together. Once those usual routines and habits are broken, it's terribly hard to get them going again. Some of the pastor groups that I really appreciated before the pandemic have just recently really started getting back together again, and others still haven't gotten that routine up and running. But I hope they will, just like I hope eventually more of us will be able to re -build our routines of gathering weekly with our church community.

So, I want to ask you all to do one of two things:

- them. OK? OK.

Page 4

Members of the Evangelical Lutheran Church in America

 \Rightarrow If you haven't been regularly gathering with us lately, I hope you will. We miss you, like we miss any old friends we haven't seen in a while. And the whole church misses you! Our gatherings of the Body of Christ are missing something when you aren't here! Also, church is fun. You get to catch up with your friends and neighbors and meet new ones. You can sing hymns and songs that you love, or maybe even better yet, find other people to complain to when the pastor picks hymns and songs you *don't* love! And you can receive God's gifts: the living Word of God, Holy Communion, forgiveness, fellowship. These things are good for us all to receive—so OK, maybe one little guilt trip. Your dentist will tell you that it's good for you to floss, you doctor tells you to eat your vegetables, and I suppose your pastor ought to tell you that it's good for you to come to church. Hey, it's definitely more fun than flossing!

 \Rightarrow If you're among of the folks that *have* continued to be in church regularly, please don't give anybody else a hard time when they show up some Sunday and you haven't seen them here in a while. Just greet them like an old friend that you're glad to see, and be thankful that it didn't take a funeral to get a chance to see
